YOUTHIMPACT+

PROMOTING QUALITY, INNOVATION,
AND RECOGNITION OF YOUTH WORK

Erasmus+ Project Number: 2020-1-UK01-KA205-1CCA2D5F

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.

Aim

The project aims to promote quality, innovation and recognition of youth work through the platform and outputs, as this is an overarching theme and strategic objective of the 2019-2027 Youth Goals.

Why Youth Impact+?

The project aims to increase and maintain the quality of youth work throughout Europe, ensuring that youth organizations and youth workers are able to learn from each other by recognizing and sharing good practices from other European youth projects. At the same time, the project will increase the quality of youth work, strengthening the opportunities and the quality of the projects for the young people involved.

Activities

Transnational events to design and develop the Digital tool and Platform;
Local events to encourage attendees to use the platform and attend short workshops based on the YouthImpact+ digital tool and platform.

Resources

- YouthImpact+ Digital Tool and Platform. This is an interactive, user-managed tool which allows youth workers and youth project coordinators to quantifying the social, and environmental impacts of European funded projects and programmes;
- YouthImpact+ Training e-Course. The e-course will be an interactive course to learn how to use and properly integrate the YouthImpact+ tool and platform into their planned or existing youth initiatives and projects.

Impact

- To support 200 organisations across Europe, which are involved in the delivery of youth projects and initiatives, on capacity building processes and youth work practices;
- To facilitate the participation in European funded projects and programmes of 350 youths selected on their social, economic and cultural status.
